

## Between Silence and Death

Chthonic

Increasingly tight black shadow flicker from time to time go hand in hand  
Tan opened wrestle step closer and closer gradually surround sound

Closer and closer

See clearly hear discretion panic  
Paul clearly mention Genki no day without dark

Way to go too dark mountains broken by Mie phase relative to sunrise  
Wutongchuanmei Morton hesitated when kicking back Free  
Way to go too dark mountains broken by Mie phase relative to sunrise  
Down regulation head cover regulatory Court was covered with mad face I Firelight

Dare sleeve hides silent when Tian Tian to see where the future  
Dare to dare to go back to life without regrets footsteps access to infix

Step by step hopeless road trip  
Wait black drop shadow Luedao I split belly soul food off the land

Life and death go blind alley it off sleeve too  
Brothers split passers will always be exempt

Gradually surrounded

See clearly hear discretion panic  
Paul clearly mention Genki no day without dark

Hanging hill climb phase to go off the deep river hides by Mie phase  
Dual wrestle acid triad hands soft surface to highlight the eye  
Hanging hill climb phase to go off the deep river hides by Mie phase  
Asthma airless Court retire without bit I Ji sleeve sleeve fixed at the grazing

Dare sleeve hides silent when Tian Tian to see where the future  
Dare to dare to go back to life without regrets footsteps access to infix

Dare to dare to go back to life without regrets footsteps access

s to infix

Step by step hopeless road trip

Wait black drop shadow Luedao I split belly soul food off the l  
and

Step by step hopeless road trip

Soul off the land
