

Summon Of China

Chthonic

In the battle of mother isle, sina gods were defeated to retreat
at the sino headquarters raged intensely, decided to avenge

After attack of the isle, sina gods fell into inferno
The remains gods gathered in the god's hall, showed the divine
power.

Summoned sina gods in frontiers, returned to the middle land.
G glulin, sina gods of outside hurry back to the middle land.

Sina gods in occupied lands were summoned to rushed back.
Sina battalion gave order to put armies in battle array.

The remains sina gods gathered and paraded
Built the altar, ordered by divine power, summoned the dead. [Taiwanese part]

Sanlong, the master of chaos, rose with anger, blood pulsed strongly,
body moved with illusions, he made the wind blew violently

Before the altar, he screamed and waved his hands, air began to
whirl

Divine power flowed from sky, his soul flew out of his body."Build
the altar, lead the mortal soul back reverse the universe,
make the dead gods rising,

Burn the holy incense, let my soul to inferno
All dead sina gods, follow my soul for reviving
