Unlimited Taiwan

Limited vision, limited union Unlimited division, unlimited illusion Limited freedom, limited right Unlimited island, unlimited fight

Our hearts are pounding with a heavy beat The rights of millions lay at your feet A society marching needs true justice A world like this needs true union

Limited vision, limited union Unlimited division, unlimited illusion Limited freedom, limited right Unlimited island, unlimited fight

We have the land, the strength, the power Rise up, overcome, take it over Ignored too long, we became stronger Tear down the walls and let us run over
