The Arrival

Chubb Rock

The birth 1986 Brooklyn USA -- just signed the contracts today Happy but later on came dismay -- Yo, where is my pay Just wrote the lyrics to DJ Innovator We throw the record out now and then you pay later OK naive me -- the first plot for the Rock Billboard spot achieved without a bullet so what now I want to stimulate the crowd but how? Should I just sample James Brown And then I'll just have the same sound I did it anyway and yo it came off The beat was abrupt word caught up Part 2 only a chosen few knew That it was hot so Chubb Rock was on his way To express his many views What record comes next do you have a clue The brain waves steady on impulse power A song it never took an hour You make an ass out of you and me if you assume The popeye tune didn't boom didn't create a hip-hop recital The focal point for the first arrival Yes like in yes y'all land Chubb Rock don't you hear success calling So I pick up the phone then answer Make it uptempo for the dancers Floors exploding, club heads voguing Journalists looking at the Billboard slogan Number one rap records of the year "Treat 'em" From Jack the Rapper to the South of Medem Reign on the charts like a thunderstorm Verbal lightning cause I sound exciting Minstrel shows never ever done 'em Find the Uncle Tom who did it, gun 'em then we sun 'em Play a cannonball and like Hannibal Lect it Silence up the Lambs cause they're screaming like some next shit Flow like the Nile, I'll smile at the file pile Dial for the sure best guess test West, Kyle Scandal and controversy I'll throw Joan in the River if she hurts me Sasparillar Diller Phyllis, bill us or kill us, Willis Bruce Die Hard this album is the damn proof Coming stronger and stronger hard like Long Donga Silver For crews who will pilfer The big man, the biggest of the large man clan Ku klux that's for red neck fucks I'm sorry cause I'm not about profanity But racism let's me lose my sanity It's a sin it's a sin that's born within I know it's wack they're trying to kill the black So every single and album I hit the problem And all the copyright thieves I got 'em Respect The Chubbster it's written in the bible word up And credit The Arrival
