

## La Paloma Twist

Chubby Checker

Ar Let's Twist  
To the pretty melody of the dove  
Let's Twist  
Baby baby this is the dance of love  
Ar Let's fly  
To the heaven's high in the sky above  
And I  
Wanna tell you dreamin' of  
Yeah  
I got my eyes on you on through the twistin'  
Hopin' that when we're through we'll do some kissin'  
Baby you know it's wrong to be resistin'  
We gotta fall in love if we keep twistin'  
Ar Let's twist  
To the pretty melody of the dove  
Yeah Let's twist

Baby baby this is the dance of love

Ar Let's fly  
To the heaven's high in the sky above  
And I  
Wanna tell you dreamin' of

I got my eyes on you on through the twistin'  
Hopin' that when we're through we'll do some kissin'  
Yeah Let's twist  
To the pretty melody of the dove  
Yeah Let's Twist  
Baby baby this is the dance of love
