

The Slop

Chubby Checker

(Momma did the Hully Gully now shes got a mop
Now Momma taught the baby gonna do the slop)

Well she's just taught the baby how to do the slop
(My girl is gonna do the slop)
Now she's back in the kitchen with a brand new mop
(My girl is gonna do the slop)
With the Hully Gully music on the radio
(My girl is gonna do the slop)
Whooo put the diapers on the baby and away we go
(My girl is gonna do the slop)

(Momma did the Hully Gully now shes got a mop
Now Momma taught the baby gonna do the slop)

Fetch it son

(My girl is gonna do the slop)

Go ahead

(My girl is gonna do the slop)

Go ahead you've got it

(My girl is gonna do the slop)

(Momma did the Hully Gully now shes got a mop
Now Momma taught the baby gonna do the slop)

(My girl is gonna do the slop)

(My girl is gonna do the slop)

(My girl is gonna do the slop)

(My girl is gonna do the slop)
