

What Do Ya Say

Chubby Checker

Hey hey what do you say
I love you
I love you
And you've got my heart
Twisted round your finger too
One day maybe you'll say
I love you
I love you
If you don't
I'll start telling you a thing or two
Ar baby don't you think
It's really time
That you stop runnin' free
Love somebody all the time
What do you say
It's me...It's me
It's me whoooo
Hey hey what do you say
I love you
I love you
And I guess you know
Who the lucky guy will be
Hey hey what do you say
It's me
(Hey hey what do you say)
I love you
I love you
And you've got my heart
Twisted round your finger too
Ar baby don't you think
It's really time
That you stop runnin' free
Love somebody all the time
What do you say
It's me...It's me
It's me whoooo
Hey hey what do you say
I love you
I love you
And I guess you know
Who the lucky guy will be
Hey hey what do you say it's
Hey hey what do you say it's
Hey hey what do you say it's me
