

## Anthony Boy

Chuck Berry

Eight o'clock in the morning  
And I'm movin' on out to school;  
With an open book and a sleepy look,  
The teacher can't be fooled.  
I take a pass in an early class,  
The teacher will never know,  
That I postponed my work at home  
Watching the evening show.  
Hey, there! Anthony boy, why are you in such a rush?  
The girl she wanna talk to you,  
Look at him he's-a blush.  
Three o'clock in the afternoon  
Completes a day of school;  
Before the thing can cease the ring,  
He's in the vestibule.  
Betty and Barbara and Jeanie and Jane  
Are yackity-yackin' with Joan,  
About some things that Anthony told  
Her over the telephone.

Hey, there! Anthony boy, why are you in such a rush?  
The girl she wanna talk to you,  
Look at him he's-a blush.

Hey, there! Anthony boy, why are you in such a rush?  
The girl she wanna talk to you,  
Look at him he's-a blush.

Betty told me the secret  
That I had told her not to tell;  
Now that she knows I know  
You know that all is well.  
Come come Tony, me boy,  
Don't let I'm get in your hair,  
With a good education you may  
Become a multi-millionaire.

Hey, there! Anthony boy, why are you in such a rush?  
The girl she wanna talk to you,  
Look at him he's-a blush.
