

# Bye Bye Johnny

Chuck Berry

1. She drew out all her money at the Southern Trust  
And put her little boy upon a Greyhound bus  
Leaving Louisiana for the golden west  
Down came the tears from her happiness  
Was going to make some motion pictures out in Holliwood

R: Bye bye bye bye, Bye bye bye bye

2. She remembered taking money earnt from gathering crop  
And buying Johnny's guitar at a broker's shop  
As long as he would play it by the railroad side  
He wouldn't get in trouble, he was satisfied  
But never thought there'd ever come a day like this  
When she would have to give her son a goodbye kiss

R: Bye bye bye bye...

3. She finally got the letter she'd been dreaming of  
Johnny wrote and told her he had fell in love  
As soon as he was married he would bring her back  
And build a mansion for them by the railroad track  
So every time they heard the locomotive roar  
They'd be standing and waving in the kitchen door

R: Bye bye bye bye...
