

Carol

Chuck Berry

R: Oh, Carol, don't let 'em steal your heart away.
I'm gonna learn to dance if it takes me all night and day.

1. Climb into my machine so we can cruise on out,
I know a swingin' little joint where we can jump and shout.
It's not too far back off the highway, not so long a ride.
You park your car out in the open, you can walk inside.
A little cutie takes your hat and you can thank her, ma'am.
Cause every time you make the scene, the joint is jammed.

R: Oh, Carol, don't let...

2. And if you wanna hear some music like the boys are playin'.
Hold tight, tap your foot, don't let it carry you away.
Don't let the heat overcome you wheeenn they play so loud,
And, don't the music intrigue you when they get a crowd?
Well, you can dance, I know I wish you would,
I got my eyes on you baby, 'cause I know you dance so good.

R: Oh, Carol, don't let... (2x)
