

## Club Nitty Gritty

Chuck Berry

Well, down in Tennessee, close to Mississippi  
'Bout a mile out of Toulouse, on the way to Memphis  
There's a road turning south that's rather rocky and tricky  
But it dead-ends right up to the Club Nitty-Gritty

They do the Mess Around  
The Watusi  
The Hully Gully  
The Mashed Potato  
And oh-oh they started Twisting  
They did the Shimmy  
Ah! They were Jerking
