

Everyday We Rock and Roll

Chuck Berry

Every day we're gonna rock and roll
Rock and roll, rock and roll
Every day we're gonna rock and roll, gonna
Rock out a little bit of soul

Every day we're gonna go, go, go
Gonna kick off the shoes and dance on the floor
Every day we're gonna go, go, go, gonna
Go, go, a little bit of soul

Every day we're gonna twist and shout
Hold back, baby, come on, work out
Every day we're gonna twist and shout, gonna
Twist and shout a little soul

Every day we're gonna shake, shake, shake
Come on, Grandpa, you ain't got no back ache
Every day we're gonna shake, shake, shake, gonna
Shake a little bit of soul

Every day we're gonna turn it on
Gonna turn it on, gonna turn it on
Every day we're gonna turn it on, gonna
Turn on a little bit of soul

Every day we're gonna rock and roll
'Round the clock, rock and roll
Every day we're gonna rock and roll, gonna
Rock out a little bit of soul
