## **House Of Blue Lights**

**Chuck Berry** 

Lace up your boots and we'll truck on down To a knocked out shack on the edge of town There's an eight beat combo that just won't quit Keep a-walking' 'til ya see a blue light lit Fall in there and we'll see some sights Down at the house the house the house of blue lights

There's fryers, broilers, and Detroit bar-b-que ribs But the treat of the treat Is when they serve up those fine egg beats You'll wanna spend the rest of your brights Down at the house the house the house of blue lights

We'll have a time and we'll some rug While we dig those tunes like they should be dug It's a real homecoming' for all those cats Just boogie past the welcome mat Fall in there and we'll see some sights Down at the house the house of blue lights
