

I Just Want To Make Love To You

Chuck Berry

I don't want you be no slave I don't want you work all day I don't want 'cause I'm sad and blue I just want to make love to you, baby Love to you, baby Love to you, baby Love to you

I don't want you cook my bread I don't want you make my bed I don't want your money too I just want to make love to you, baby Love to you, baby Love to you, baby Love to you

Well I can tell by the way that you twitch and walk See by the way that you baby talk Know by the way that you treat your man I can love you, baby, till the night train

I don't want you wash my clothes I don't want you leave the home I don't want 'cause I'm sad and blue I just want to make love to you, baby Love to you, baby Love to you, baby Love to you

Yeah

I don't want you wash my clothes I don't want you leave the home I don't want 'cause I'm sad and blue I just want to make love to you, baby Love to you, baby Love to you, baby Sweet love to you, baby Love to you, baby I just wanna make love to you, baby Love to you, baby Love to you, baby Love to you I just, I just want to make love to you, baby I just want to make love
