## **Right Off Rampart Street**

## **Chuck Berry**

Way down south in Louisiana, up under the Delta heat, child There's an old boy plays an electric guitar right off Rampart S treet

Sometimes a Go-Go girl come in with him, she be shakin' out a Mojo beat That old boy sure pick some old mean guitar right off Rampart S treet

Stays crowded every time he's there, people come there from nea r and far I don't think nobody knows his name, they just know it's a Go-Go guitar They just know it's a Go-Go guitar

Way down south in Louisiana, up under the Delta heat, child Go see that old boy play his guitar right off Rampart Street Right off Rampart Street
