

Trick or Treat

Chuck Berry

Trick or treat, baby, on a night like this,
Trick or treat, wo, wo, and that means a kiss.
Trick or treat, baby, and don't let me miss
A sweet kiss from you on a night like this.

Trick or treat, baby, by the light of the moon,
Trick or treat, wo, wo, don't leave me so soon.
Trick or treat, baby, I go in a swoon
From the sweet way you kiss me by the light of the moon.

Trick or treat, baby, oh, what a night,
Trick or treat, wo, wo, what a sweet delight.
Trick or treat, baby, and hold me tight,
And keep kissin' me sweetly, oh, what a night.

Trick or treat, baby, in your own sweet way,
Trick or treat, wo, wo, anything you say.
Trick or treat, wo, wo, wo, wo,
I just love for you to kiss me in your own sweet way.
