

Mr. Pride

Chuck Jackson

If I were to ask you
To come by my side
Even though I have often lied

Would you try to comfort
And ease my pain
Would you pour your thoughts
Upon me like rain

Knowing I feel a deep sense of shame
Would it be wrong to ask you once again

To love me (love you)
Want me (want you)
Don't try to decide now
Just push mister pride aside

Whoa, oh, oh
I'll not say you won't shed any tears
For I know it's too hard
To shake off your fears

Darling, I promise this
I'll be true now
It's the very thing
I want to do, so

Let's try again
Forget what has passed
This time we're gonna win
We're gonna make our love last

'Cause we still need each other
And all we've denied
So let's push mister pride aside
Push, baby, baby, baby
Mister pride aside
