Dumbing Down

Chumbawamba

Are you happy here
In Themepark, U.S.A.?
And do you sometimes wish
That your life was plug and play?

And are the words to this song Concise enough to follow? Is your smart food Simple enough to swallow?

We're dumbing down Dumb-dee-dumb-dumb Dumbing down Dumb-dee-dumb-dumb

Dumb-diddy-dumb-dumb-dumb-dumb (7x)

Are we only eating words from a can Just because we can?
And is Disneyworld
All we understand?

Will our history
Be written out in headlines?
And hand-me-downs, and miracles
And land mines...

We're dumbing down Dumb-dee-dumb-dumb Dumbing down Dumb-dee-dumb-dumb
