

Happiness Is Just a Chant Away

Chumbawamba

I'm having a wonderful time drunk on communion wine
One sin over the seven
Sick all over the stairway to heaven
Bullshit, bullshit, priests without a pulpit
Shake shake shake your blessed bells
Ding dong, heaven calling, buzz buzz buzz, haircut sir
You put your whole self in, your whole self out
In out in out, shake it all about
With a pop song, pop song, smothering love bombs
You're great I'm great everybody's great
Everybody's great
Happiness is just a chant away
Georgie got a needle and Georgie got a hit
Georgie got religion and a saviour on a stick
There're a thousand Georgies all posing in a field
Which are false and which are real?
You put your whole self in, your whole self out
In out, in out, what's it all about?
Pop song, pop song, smothering love bombs
You're great I'm great everybody's great
Everybody's great
Happiness is just a chant away
I'm having a wonderful time drunk on communion wine
One sin over the seven
Sick all over the stairway to heaven
Harry Roberts, Harry Roberts, Roberts, Roberts, Harry, Harry
Everybody got a good deal
Everybody got a guru
Everybody got a love bomb
Everybody got a hit song
