

## Heaven/Hell

Chumbawamba

Tall as houses  
Small as spiders  
Undefined this buzz inside us

Tightrope walker  
Chaos order  
I fell right into heaven/hell  
Devil take me  
God forsake me  
Made my home in heaven/hell

Out of ruins growing pains  
Wide-eyed pirates crossing bones

Tightrope walker  
Chaos order  
I fell right into heaven/hell  
Devil take me  
God forsake me  
Made my home in heaven/hell

Kicking giants drowned in reason  
Breaking old building new

Tightrope walker  
Chaos order  
I fell right into heaven/hell  
Devil take me  
God forsake me  
Made my home in heaven/hell
