

Nothing Knocks Me Over

Chumbawamba

{INTRO:}

I jumped the cliffs and ride the waves
And no one comes to save me

My arms are strong against the tide
Nothing knocks me over

{ref.:}

Nothing knocks me over
Nothing knocks me over

From the fire into the frying pan
I jump because I can

I choose to gamble with my life
Twice the risk, four times the prize

{interlude:}

{ref.:}

Nothing knocks me over
Nothing knocks me over
