

Stairway to Heaven

Chumbawamba

I'm having a wonderful time
Drunk on communion wine
One sin over the seven
Sick all over the stairway to heaven

Bullshit, bullshit, priests without a pulpit
Shake, shake, shake your blessed bells
Ding dong, Heaven calling, buzz, buzz, buzz, haircut, sir
You put your whole self in, your whole self out
In out, in out, shake it all about
With a pop song, pop song, smothering love bombs
You're great, I'm great, everybody's great

Everybody's great
E-e-e-verybody's great
Everybody's great
E-e-e-verybody's great
Everybody's great
E-e-e-verybody's great
Everybody's great
E-e-e-verybody's great

(Everybody's great, e-e-e-verybody's great) Everybody's happy nowadays
(Everybody's great, e-e-e-verybody's great)
(Everybody's great, e-e-e-verybody's great) Everybody's happy nowadays
(Everybody's great, e-e-e-verybody's great)
(Everybody's great, e-e-e-verybody's great) Everybody's happy nowadays
(Everybody's great, e-e-e-verybody's great)
(Everybody's great, e-e-e-verybody's great) Everybody's happy nowadays
(Everybody's great, e-e-e-verybody's great)

Georgie got a needle and Georgie got a hit
Georgie got religion and a saviour on a stick
There're a thousand Georgies all posing in a field
Which are false and which are real?
You put your whole self in, your whole self out
In out, in out, what's it all about?
Pop song, pop song, smothering love bombs
You're great, I'm great, everybody's great

I'm having a wonderful time
Drunk on communion wine
One sin over the seven
Sick all over the stairway to heaven
