This is the Good Ship Lifestyle  
All my friends jumped ship  
I elect me the captain  
This is the loneliest voyage  
I've ever been on  
Up in the crow's nest -  
Over there! I see land!  
First mate? There is no First Mate...  
This is the Good Ship Lifestyle

Sail away from the world (2x)

So steer a course  
A course for nowhere  
And drop the anchor  
My little Empire  
I'm going nowhere (This is the Good Ship Lifestyle) (4x)

This is the Good Ship Lifestyle  
I fly my very own flag  
TV dinners for one  
At the captain's table  
Repel all the boarders!  
Draw the curtains tighter!  
Where's the crew? There is no crew...
