

# Without Reason or Rhyme (The Killing of Harry Stanley)

Chumbawamba

I wish, I wish, but it's all in vain

It is a great thing that we have an unarmed police force in this country.

It is perhaps an even greater thing that a force that is unarmed is able to shoot so many people.

On hands and knees  
Floors like these  
Washing away  
Red from grey  
Hearts will ache  
Shotgun-shaped  
No remorse  
Of course, of course

Of course there's an explanation  
Why you sing without reason or rhyme  
Why you sing  
Without reason or rhyme

Everyone  
Must be wrong  
This explains  
Where he lays  
Hearts can kill  
And they will  
Filed reports  
Of course, of course

Of course there's an explanation  
Why you sing without reason or rhyme  
Why you sing  
Without reason or rhyme

Of course there's an explanation  
Why you sing without reason or rhyme
