

## Spahn Ranch (charles Manson)

Church of Misery

Revolution for new generation  
Sex, drug & murder  
I'll show you the way to kill, my children

Demolition for new creation  
Peace, love & terror  
Pigs must be killed, my children

So this is the end of time  
I'll give you peace of mind  
Judgement day has coming  
Now you gonna pay the price  
Victory is on my side, my children

Operation for new domination  
Blind family's power  
Stab them to death, my children

Sensation for new situation  
We've will to devour  
Go for work to be done, my children

Now is the time for "revolution"  
Are you prepare for "destruction"?  
Now is the time to "creepy crawl"  
"helter skelter" is comin' down fast!

Rise! death to pigs! helter skelter!
