

Clearest Blue

CHVRCHES

Light is all over us
Like it always was
Like it always was
Shaped, by the clearest blue
But it's not enough
It's not enough, not enough

Just another time I'm caught inside
Every open eye
Holding on tightly to the sides
Never quite learning why
You'll meet me, you'll meet me
You'll meet me halfway

Whenever I feel it coming on
You can be well aware
If ever I try to push away
You can just keep me there
So please say you'll meet me
Meet me halfway
You'll meet me
Meet me halfway

Tied, to the shifting ground
Like it always was
Like it always was
You, were the perfect storm
But it's not enough, it's not enough
Not enough, not enough

Just another time that I go down
But you are keeping up
Holding to a hope you'll undermine
Never to be reversed

Just another time I'm caught inside
Every open eye
Holding on tightly to the sides
Never quite learning why

Whenever I feel it coming on
You can be well aware
If ever I try to push away
You can just keep me, tell me

Tell me, tell me you'll meet me
Tell me, tell me you'll keep me
Tell me, tell me you'll meet me
Will you meet me more than halfway up?

Shaped by, clearest blue
Shaped by, clearest blue
Shaped (Will you keep it half-a-way?) by, clearest blue (Will you keep it half-a-way?)
Shaped (Will you keep it half-a-way?) by, clearest blue (Will you keep it half-a-way?)
