I feel it, it's in me tonight
I see this tonight, I'm pulling up
I see him, he's walking out
He gives me the eye, and he's a thug
What's the deal, I'm 21
I'm legal hey, now I'm free to run
That's the one I meet this morning
Pulling me to the floor wanna get to know me

I'm ready to have fun-lets bang the thing up
But you gotta be prepared to get your weight up
See I'm at the train since I came up
In the ATL is where it came from

R: Bang it up boy gon' bang it up
I'm full grown you can go tear it up (bang it up)
Bang it up boy gon' bang it up
Last one I had on the floor couldn't do enough (bang it up)
Bang it up boy gon' bang it up (bang it up)
Bang it up boy gon' bang it up (bang it up)
Don't talk about it boy be about it
If you got it we can see about it shorty what's up

Wait a minute, no he didn't
Ya'll the DJ tried to slow it up
Oh my bad, he didn't
All he did was (erra) switched it up

See that, now you see that
Cause this burn up will start acting up
Ya'll might let me start showing my signs
Ain't nobody here seen my fun

I'm ready to have fun-lets bang the thing up
But you gotta be prepared to get your weight up
See I'm at the train since I came up
In the ATL is where it came from

R:

Listen don't lie to me boy
Acting like you are-never seen me before
You like it-you know it don't ya
They said you wanna know-what was taking me so long
Since you've been so patient-you've got the right to...

R: (2x)

Been on the floor
Ci at the door
We know you want it
Ci getting on it

Bang it up, bang it up, bang it up
Bang it up, bang it up, bang it up
Bang it up, bang it up, bang it up
Bang it up, bang it up, bang, bang, bang
Bang, bang, bang, bang-bang, bang, bang, bang, bang
Bang, bang, bang, bang-bang, bang, bang, bang, bang
