

# So Hard

Ciara

Ooooooooooooo

He made it so hard  
To trust someone  
He made it so hard  
To fall in love

Not tryna mess up this relationship (thinking)  
Cause the last man did me that way  
You gon' do the same things I  
Don't wanna be this way  
But I'm hoping you can change  
The way that I feel  
You see (ooooo)  
I trusted him with everything  
Never held back anything  
Thought we'd be together for the rest of our lives  
So suddenly he took his love away  
And made it hard to trust again

I know I been holding back  
But he really hurt me bad  
I don't wanna take my past  
And put it all on u  
I'm not tryna hold you back  
Really hope you understand  
I don't know what I'm gonna do

R: When I think of what he did to me  
It makes it hard to fall in love  
When I think about just what I need  
It makes it hard to trust someone  
Baby I gotta let go  
Don't wanna miss out on love this time  
Gotta leave those things behind

Whatever's yours, you call it ours  
Send flowers with love you keep me showered  
And so did my ex-man at first  
You see what started out so simple  
All flew out the window  
There I go comparing you to him again  
It keeps holding me down (I gotta let it go)  
I wanna give love a chance (cause you may never know)  
Baby you could be the one for me  
Yes the only one for me  
And I don't wanna lose a good thing no

I know I been holding back  
But he really hurt me bad  
I don't wanna take my past  
And put it all on u  
I'm not tryna hold you back  
Really hope you understand  
I don't know what I'm gonna do

R:

One disappointment, one heartbreak  
Too many mistakes in love I've made  
I cant come with all this baggage  
Thinking he's gon' have it  
See I know I'm being selfish  
But I gotta let it go  
Close that chapter close that book  
Faith and love is all it ever took  
That's why I never gave up  
And I never gave in  
Cause I know true love is waiting for me again

I know I been holding back  
But he really hurt me bad  
I don't wanna take my past  
And put it all on u  
I'm not tryna hold you back  
Really hope you understand  
I don't know what I'm gonna do
