Sorry

All I wanna say... Girl I wanna say... I'm saying that I'm sorry...

Ooh ooh, ooh, ooh

August 4th, we were chilling at the house Said I'm done, I told you to get out Didn't mean a word that I said Cause I was hoping you would come back

Cause I tried and tried And I cried and cried Up late at night and I hurt And I tried to fight and I cried to god Oh please let it just work And I'm going crazy with you You got me so confused Cause you walked away, and I walked away And we should've stayed baby

All you have to do is say that I'm sorry Baby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby I'll do what it takes And I will be here all the way baby

All you have to do is say that I'm sorry Baby I'm sorry

You wanna know if I was moving on without you I miss you, miss you, miss you, I miss you To tell the truth i've thinking bout you lately I miss you, miss you, miss you, I miss you

Christmas day, you said you had a ring But you changed your mind Too caught up in the streets Boy your truth is hard to believe Why are you really scared of me

Cause I tried and tried And I cried and cried Up late at night and I hurt Cause I put in mine and Worked all the time

And you never put in your work And I'm going crazy with you You got me so confused Cause you walked away, and I walked away And we should've stayed baby

All you have to do is say that I'm sorry Baby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby i'll do what it takes And I will be here all the way baby

All you have to do is say that I'm sorry Baby I'm sorry

You wanna know if I was moving on without you I miss you, miss you, I miss you To tell the truth i've thinking bout you lately I miss you, miss you, miss you, I miss you

I miss the way you hold me The way you touch me I miss the way you kiss me yeah All I wanna do, do, do, do, do All I wanna do Is say that I'm sorry, sorry, sorry, sorry So sorry baby

All you have to do is say that I'm sorry Baby I'm sorry And I'm in love with you Baby I want this, baby I want this Say baby i'll do what it takes And I will be here all the way baby

All you have to do is say that I'm sorry Baby I'm sorry

You know I think about you sometimes I wonder how you are Are you happy You see I know What we had was special And I know you know it too I miss you I really miss you...
