The Look Of Love

The look of love is in your eyes The look the time can't disguise The look of love, its saying so much more Than just words could ever say And what my heart has heard Well, it takes my breath away

I can hardly wait to hold you Feel my arms around you How long I have waited Waited just to love you Now that I have found you.

The look of love it's on your face A look that time can't erase Tonight, tonight Let this be just the start Of so many nights like this Let's take a lover's vow and seal it with a kiss.

I can hardly wait to hold you Feel my arms around you How long I have waited Waited just to love you Now that I have found you **Cibo Matto**
