Cigarettes After Sex

I wanna line my walls with photographs you sent
Of you lying in your swimsuit on the bed
Can't live without your love inside me now
I'll find a way to slip into your skin somehow

I wanna feel your love slow
Catch my heart, go swim
Feel your lips crush
Hold you here my loveliest friend

I love to watch you when you're trying on your clothes
And now you're all I think about when I'm alone
Can't wait to feel your love inside me now
We'll have a drink or two and we'll go to your house...

I wanna feel your love slow
Catch my heart, go swim
Feel your lips crush
Hold you here my loveliest friend
