

## Each Time You Fall in Love

### Cigarettes After Sex

Each time you fall in love it's clearly not enough  
You sleep all day & drive out in L.A.  
It isn't safe

& each time you kiss a girl you never know what it's worth  
You say all of the words they wanna hear  
It isn't real

She took you for a ride in summer baby  
Lost all your money to her  
All I wanna know is if you love her how come you never give in

Each time you have a dream you never know what it means  
You see that open road & never know which way to go

& each time you fall in love it's clearly not enough  
You sleep all day & drive out in L.A.  
It isn't safe...
