

## Opera House

### Cigarettes After Sex

Built an opera house for you in the deepest jungle  
And I walked across its stage, singing with my eyes closed  
I've got a love for you I just can't escape  
All of my love for you cuts me like barbed wire

Ooh, I was meant to love you  
And always keep you in my life  
Ooh, I was meant to love you  
I knew I loved you at first sight

If I abandoned love, I'd be a man without dreams (ooh)  
I'd rather be out there staring death right between its eyes now  
And I can still hear the sound of you crying through the night  
There in the opera house with no one else for miles

Ooh, I was meant to love you  
And always keep you in my life  
Ooh, I was meant to love you  
I knew I loved you at first sight

Ooh, I was meant to love you  
And always keep you in my life  
Ooh, I was meant to love you  
I knew I loved you at first sight
