When I Fall In Love

Cilla Black

When I fall in love
It will be forever
Or I'll never fall in love

In a restless world like this is Love is ended before its begun And too many moonlight kisses Seem to cool in the warmth of the sun

When I give my heart It will be completely

Or I'll never give my heart

And the moment I can feel that You feel that way too Is when I fall in love with you

And the moment I can feel that You feel that way too Is when I fall in love with you
