

A Year Without Rain

Cimorelli

Can you feel me
When I think about you
with every breath i take
Every Minute
No matter what I do
My world is an empty place
Like I've been wanderin the dessert,
for a thousand days
Don't know if It's a mirage,
but I always see your face, Baby...

I'm missin you so much
Can't help it I'm in love
A day without you is like a year without rain
I need you by my side,
Don't know how I'll survive
a day without you is like a year without rain

The stars are burning,
I hear your voice in my mind (in my mind)
Can't you hear me calling.
My Heart is yearning,
Like the ocean that's running dry
Catch me I'm falling

It's like the ground is crumbling underneath my feet,
Won't you save me
There's gonna be a monsoon
when you get back to me

I'm missing you so much
Can't help it I'm in love
A day without you is like a year without rain.
I need you by my side,
Don't know how I'll survive
a day without you is like a year without rain

So let this drought come to an end
And make this dessert flower again
I Need you here,
I can't explain
But a day without you
Is like a year without rain
I'm missing you so much
Can't help it I'm in love
A day without you is like a year without rain.
I need you by my side,
Don't know how I'll survive
a day without you is like a year without rain.
