

All My Friends Say

Cimorelli

Hey!

Oh woah Maybe I should've known, maybe I should listen
They say he'll never change, he said with me it's different
I tell myself: "He has a good heart, he means well."
And I swear he's trying so hard
But the number of times he's let me down, I can't count that high
All my friends say, he's lame,
You could do so much better than him
All my friends say, he lies,
Last week he made you cry
And all his friends say, she's crazy,
Emotional and unstable
All my friends say, just walk away
Hey!
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

He always says he's broke, then buys new video games
Whenever we go out, he always asks me to pay
I'm getting tired of his stupid excuses
All his whining and his mood swings
But the number of times he's made me smile, I can't count that high
All my friends say, he's lame,
You could do so much better than him
All my friends say, he lies,
Last week he made you cry
And all his friends say, she's crazy,
Emotional and unstable
All my friends say, just walk away, hey!
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh

And all my friends say
You should leave him, leave him now
And all my friends say
He's no good for you, but somehow I don't care
All my friends say, he's lame,
You could do so much better than him
All my friends say, he lies,
Last week he made you cry
And all his friends say, she's crazy,
Emotional and unstable
All my friends say, just walk away
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh, hey!
Ooh ooh ooh
Ooh ooh ooh
Ooh ooh ooh
