

# Boom Clap

Cimorelli

Boom boom boom clap

You're picture perfect blue  
Sunbathing on the moon  
Stars shining as your bones illuminate  
First kiss knew it was love  
Under your influence  
You take me over you're the magic in my veins  
This must be love

Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now

No silver or no gold  
Could dress me up so good  
You're the glitter in the darkness of my world  
Just tell me what to do  
I'll fall right into you  
We're going under cast the spell just say the word  
I feel your love

Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now

You are the light and I will follow  
You let me lose my shadow  
You are the sun the glowing halo  
And you keep burning me up with all your love oh

Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart

The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now  
Boom clap  
The sound of my heart  
The beat goes on and on and on and on and  
Boom clap  
You make me feel good  
Come on with me, come on with me now
