

## Cruise

Cimorelli

Baby you a song  
You make me wanna roll my windows down and cruise

Hey baby, hahahah

Yeah, when I first saw him first day of summer  
He's poppin' right out of the South Georgia water  
Thought, Oh, my my , he drove me out of my head  
Couldn't help myself so I walked up and said

Baby you a song  
You make me wanna roll my windows down and cruise  
Down a back road blowin' stop signs through the middle  
Every little farm town with you

In this brand new Chevy with a lift kit  
Would look a heck of a lot better with you up in it  
So baby you a song  
You make me wanna roll my windows down and cruise

He was looking so southern and singin' Marshall Tucker  
We were falling in love in the sweet heart of summer  
I hopped right up into the cab of his truck and said  
Fire it up, let's go get this thing stuck

Baby you a song  
You make me wanna roll my windows down and cruise  
Down a back road blowin' stop signs through the middle  
Every little farm town with you

In this brand new Chevy with a lift kit  
Would look a heck of a lot better with you up in it  
So baby you a song  
You make me wanna roll my windows down and cruise

My windows down, my seats are back,  
My music up, and we ride.  
My feet up on his dashboard,  
And thats just the way I like.  
Hey, country boy, this country girl  
Like everything about you.  
Don't change a thing, no way.  
You stay the same, I got you.

When that summer sun fell to its knees  
I looked at him and he looked at me  
And he turned on those KC lights and drove all night  
'Cause it felt so right, him and I, man we felt so right

He put it in park and  
Grabbed my guitar  
And strummed a couple chords  
And sang from the heart  
Boy you sure got the beat in my chest bumpin'  
Yeah, I can't get you out of my head

Baby you a song

You make me wanna roll my windows down and cruise  
Down a back road blowin' stop signs through the middle  
Every little farm town with you

Baby you a song  
You make me wanna roll my windows down and cruise  
Down a back road blowin' stop signs through the middle  
Every little farm town with you  
In this brand new Chevy with a lift kit  
Would look a heck of a lot better with you up in it  
Come on

So baby you a song  
You make me wanna roll my windows down and cruise  
Get those windows down and cruise  
Aww yeah  
haha
