

# I Like It

Cimorelli

We're in a room full of people but you're talking to me,  
And I know you gotta go but you don't wanna leave,  
Look at me like,  
I'm the most amazing thing that you've ever seen,  
And I like it, yeah I like it.

And I didn't know running your hands through your hair could look so good,  
But the way you do it you got me hooked, I'll admit

I'm hoping you don't see what it does to me,  
When you say my name randomly,  
And I can't compete with my heart beat,  
You're taking over me,  
I surrender

Just breathe in that night-time air,  
You got me wide-eyed, messy hair yeah  
Don't know what I'm saying, but I just don't care  
And I just can't take this feeling right here,  
But I like it,  
I like it,  
Yeah I like it

You say goodbye for today and I know what that means,  
You'll reach out to me now, put your arms around me,  
And for a couple seconds I don't think I can breathe  
But I like it,  
Yeah I like it

And I didn't know seeing your name on my phone,  
Could look so good, but the way you say hello,  
You got me hooked don't you know,

I'm hoping you don't see what it does to me,  
When you wear that tee with those jeans,  
And I can't compete with my heartbeat,  
You're taking over me,  
I surrender

Just breathe in that night-time air,  
You got me wide-eyed, messy hair yeah  
Don't know what I'm saying, but I just don't care  
And I just can't take this feeling right here,  
But I like it,  
I like it,  
Yeah I like it

IIIIIIIIII I can't compete with my heart beat  
IIIIIIIIII I can't compete with my heart beat

Just breathe in that night time air,  
You got me wide-eyed, messy hair yeah  
Don't know what I'm saying, but I just don't care  
And I just can't take this feeling right here,  
But I like it,  
I like it,  
Yeah I like it [x3]
