

Just Give Me A Reason

Cimorelli

Right from the start you were a thief
You stole my heart
And I your willing victim

I let you see the parts of me
That weren't all that pretty
And with every touch you fixed them

Now you've been talking in your sleep, Oh oh
Things you never say to me, Oh oh
Tell me that you've had enough of our love
Our love

Just give me a reason
Just a little bit's enough
Just a second we're not broken, just bent
And we can learn to love again

It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again

I'm sorry I don't understand
Where all of this is coming from
I thought that we were fine
(Oh, we had everything)

Your head is running wild again
My dear we still have everything
And it's all in your mind
(Yeah, but this is happenin')

You've been havin' real bad dreams, Oh oh
You used to lie so close to me, Oh oh
There's nothing more than unsaid things
Between our love, our love
Oh our love, our love

Just give me a reason
Just a little bit's enough
Just a second we're not broken, just bent
And we can learn to love again

I never stopped
You're still written in the scars on my heart
You're not broken just bent
And we can learn to love again

Oh tear ducts and rust
I'll fix it for us
We're collecting dust
But our love's enough

You're holding it in
You're pouring a drink
No nothing is as bad as it seems

We'll come clean

Just give me a reason
Just a little bit's enough
Just a second we're not broken, just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again

Just give me a reason
Just a little bit's enough
Just a second we're not broken, just bent
And we can learn to love again
It's in the stars
It's been written in the scars on our hearts
We're not broken just bent
And we can learn to love again

Oh, we can learn to love again
Oh, we can learn to love again
Ooh, that we're not broken just bent
And we can learn to love again
