

Let It Go

Cimorelli

The snow glows white
On the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like
This swirling storm inside
Couldn't keep it in
Heaven knows I tried

Don't let them in
Don't let them see
Be the good girl
You always have to be
Conceal don't feel ,
Don't let them know
Well now they know

Let It Go ,
Let It Go ,
Can't hold it back anymore
Let It Go ,
Let It Go ,
Turn away and slam the door
I don't care what they're
Going to say
Let the storm rage on

The cold never bothered
Me anyway

It's funny how some distance
Makes everything seem small
And the fears that once controlled me ,
Can't get to me at all

It's time to see what I can do
To test the limits and break through
No right , No road , No rules for me
I'm free !

Let It Go ,
Let It Go ,
I am the one with the wind and sky
Let It Go ,
Let It Go ,
You'll never see me cry
Here I stand ,
And here I'll stay ,
Let the storm rage on

The cold never bothered
Me anyway

Standing , Frozen in the life I've chosen
You won't find me ,
The past is all behind me

Buried in the snow

I'm never going back ,
The past is in the past !

Let It Go ,
Let It Go ,
I'll rise like the break of dawn
Let It Go ,
Let It Go ,
That perfect girl is gone
Here I stand ,
In the light of day
Let the storm rage on !

The cold never bothered
Me anyway
