

# Payphone

Cimorelli

I'm at a payphone trying to call home,  
All of my change I spent on you.  
Where have the times gone? Baby, it's all wrong...  
Where are the plans we made for two?

Yeah, I, I know it's hard to remember,  
The people we used to be...  
It's even harder to picture, that you're not here next to me.  
You say it's too late to make it, but is it too late to try?  
And in our time that you wasted,  
All of our bridges burned down.

I've wasted my night, you turned out the lights.  
Now I'm paralyzed, still stuck in that time,  
When we called it love,  
But even the sun sets in paradise.

I'm at a payphone trying to call home,  
All of my change I spent on you.  
Where have the times gone? Baby, it's all wrong...  
Where are the plans we made for two?  
If happy ever after did exist,  
I would still be holding you like this.  
All those fairy tales are full of it  
One more stupid love song, I'll be sick.

I'm at a payphone

Oh, you turned your back on tomorrow,  
'Couse you forgot yesterday.  
I gave you my love to borrow, but you just gave it away.  
You can't expect me to be fine, I don't expect you to care.  
I know I've said it before, but all of our bidges burned down.

I've wasted my night, you turned out the lights.  
Now I'm paralyzed, still stuck in that time,  
When we called it love,  
But even the sun sets in paradise.

I'm at a payphone trying to call home,  
All of my change I spent on you.  
Where have the times gone? Baby, it's all wrong...  
Where are the plans we made for two?  
If happy ever after did exist,  
I would still be holding you like this.  
All those fairy tales are full of it  
One more stupid love song, I'll be sick.

Now I'm at a payphone...

Man shut your mouth  
You'll be out spending all your money  
While I'm sitting round  
Wondering why it was you I gave my heart to  
Looking back on all these things  
I'd never be a part to  
And all your friends open up, don't be negative

Tell me what our chances are or whatever you call it  
Switch your number in my phone so you never can call it  
So leave my name on my shirt  
So you can tel it upon

Swith! What a shame you could've got picked  
Had a really doog time but you missed the last shot  
So you think about me like I'm all wrong,  
Like I missed it all up  
Basides I say ot's over for  
Phantom roll up valet open doors  
And I heard that you're working ar grocery store  
Now it's me what you want but I moved on  
So leave a message at the tone

I'm at a payphone trying to call home,  
All of my change I spent on you.  
Where have the times gone? Baby, it's all wrong...  
Where are the plans we made for two?  
If happy ever after did exist,  
I would still be holding you like this.  
All those fairy tales are full of it.  
One more stupid love song, I'll be sick.

...Now I'm at a payphone... (5x)

So call me, maybe?.
