

Problem

Cimorelli

Dani:

Uh huh it's Cimorelli

I got one more problem with you girl

Christina :

Hey baby even though I hate ya

I wanna love ya

(I want you-oo-ooh)

Christina:

And even though I can't forgive ya

I really want to

(I want you-ooh-ooh)

Amy :

Tell me

Tell me baby

Why can't you leave me?

'Cause even though I shouldn't want ya

I gotta have ya (I want you-ooh-ooh)

Lisa:

Head in the clouds

Got no weight on my shoulders

I should be wiser and realize that I've got

Lauren:

One less problem without ya

I got one less problem without ya

I got one less problem without ya

Cimorelli:

I got one less, one less problem

Lauren:

One less problem without ya

I got one less problem without ya

I got one less problem without ya

Cimorelli:

I got one less, one less problem

Hey tell me what ya got girl

Katherine :

I know you're never gonna wake up

I gotta give up

(But I do-ooh-ooh)

I know I shouldn't ever call back

Or let ya come back

(But I do-ooh-ooh)

Lauren:

Everytime you hold me

And say you love me

I get a little bit breathless

I shouldn't want it

(But I do-ooh-ooh)

Lisa:
Head in the clouds
Got no weight on my shoulders
I should be wiser
And realize that I've got!

Lauren,:
One less problem without ya
I got one less problem without ya
I got one less problem without ya

Cimorelli:
I got one less, one less problem
Lauren, whispering:
One less problem without ya
I got one less problem without ya
I got one less problem without ya

Cimorelli:
I got one less, one less problem

Dani:
Uh, what you got?
Smart money bettin'
I'll be better off without you
In no time I'll be forgettin' all about you
You sayin' that you know
But I really, really doubt you
Understand my life is easy
When I ain't around you

Iggy Iggy
Too biggie to be here stressin'
I'm thinkin' I love the thought of you
More than I love your presence
And the best thing now is probably for you to exit
I let you go
Let you back
I finally learned my lesson

No half-stepping either you want it
Or you just playin'
I'm listening to you knowing
I can't believe what you're sayin'
There's a million you's baby boy
So don't be dumb
I got 99 problems
But you won't be one
Like what?

Lisa:
Head in the clouds
Got no weight on my shoulders
I should be wiser and realize that I've got
Oh

Lauren:
One less problem without ya
I got one less problem without ya (Yeah)
I got one less problem without ya

Cimorelli:
I got one less, one less problem

Lauren:

One less problem without ya

I got one less problem without ya

I got one less problem without ya

Cimorelli:

I got one less, one less problem

Lauren:

One less problem without ya

I got one less problem without ya

I got one less problem without ya

Cimorelli:

I got one less, one less problem
