

Rather Be

Cimorelli

We're a thousand miles from comfort
We have travelled land and sea
But as long as you are with me
There's no place I'd rather be

I would wait forever
Exulted in the scene
As long as I am with you
My heart continues to beat

With every step we take
Kyoto to the bay
Strolling so casually

We're different and the same
Gave you another name
Switch up the batteries

If you gave me a chance
I would take it
It's a shot in the dark
But I'll make it
Know with all of your heart
You can't shame me
When I am with you
There's no place I'd rather be

No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
No no no no no
No place I'd rather be

We staked out on a mission
To find our inner peace
Make it everlasting
So nothing's incomplete

It's easy being with you
Sacred simplicity
As long as we're together
There's no place I'd rather be

With every step we take
Kyoto to the bay
Strolling so casually

We're different and the same
Gave you another name
Switch up the batteries

If you gave me a chance
I would take it
It's a shot in the dark
But I'll make it
Know with all of your heart

You can't shame me
When I am with you
There's no place I'd rather be

No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
No no no no no
No place I'd rather be
When I am with you
There's no place I'd rather be

Oooh
