

Send It On

Cimorelli

A word is just a word
'Til you mean what you say
And love is a love
'Til you give it away
We all gotta give
Yeah, something to give
To make a change

Send it on, on and on
Just one hand can heal another
Be apart, reach your heart
Just one spark starts a fire
With one little action
The chain reaction
Will never stop
Make us strong
Shine a light and send it on

Just smile (just smile) and the world (and the world)
Will smile along with you
That small act of love
Then the one will become two
If we take the chances
To change circumstances
Imagine all that we could do
If we

Send it on, on and on
Just one hand can heal another
Be apart, reach your heart
Just one spark starts a fire
With one little action
The chain reaction
Will never stop
Make us strong
Shine a light and send it on
Send it on

There's power in all of the choices we make
So I'm starting now, there's not a moment to wait

A word just a word
'Til you mean what you say
A love is a love
'Til you give it away

Send it on, on and on
Just one hand can heal another
Be apart, reach your heart
Just one spark starts a fire
With one little action
The chain reaction will never stop
Make us strong
Shine a light and send it on

Just one hand can heal another
Be apart, reach your heart

Just one spark starts a fire
With one little action
The chain reaction
Will help things start
Make us strong
Shine a light and send it on
Shine a light and send it on
Shine a light and send it on
