

# Steal My Girl

Cimorelli

He's been my queen since we were 16  
We want the same things  
We dream the same dreams, alright?  
Alright  
I got it all  
'Cause he is the one  
His mom calls me love  
His dad calls me son, alright?  
Alright

I know, I know, I know for sure

Everybody want to steal my boy  
Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Everybody want to steal my boy  
Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Na na na na na na (oh yeah)  
na na na na na na (alright)  
Na na na na na na  
Na na na na na na  
He belongs to me

Kisses like cream  
His walk is so mean  
And every jaw drop  
When he's in those jeans alright?  
Alright.

I don't exist if I don't have him  
The sun doesn't shine  
The world doesn't turn alright?  
Alright.

But I know, I know, I know for sure

Everybody want to steal my boy  
Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Everybody want to steal my boy  
Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Na na na na na na (oh yeah)  
na na na na na na (alright)  
Na na na na na na  
Na na na na na na

He knows, he knows that I've never let him down before  
He knows, he knows that I'm never gonna let another take his love from me no  
w

Everybody want to steal my boy

Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Everybody want to steal my boy  
Everybody wanna take his heart away  
Couple billion in the whole wide world  
Find another one 'cause he belongs to me  
Na na na na na na (oh yeah)  
na na na na na na (alright)  
Na na na na na na  
Na na na na na na  
He belongs to me  
(He belongs to me)  
Na na na na na na (oh yeah)  
na na na na na na (alright)  
Na na na na na na

He belongs to me.
