Cimorelli

Midnight, you come and pick me up, no head lights. Long drive, could end in burning flames or paradise Fade into view, oh, it's been a while since I have even heard from you, heard from you I should just tell you to leave cause I Know exactly where it leads but I Watch us go round and round each time

You got that James Dean day dream look in your eye And I got that red lip classic thing that you like And when we go crashing down, we come back every time Cause we never go out of style We never go out of style

You got that long hair, slicked back, white t-shirt And I got that good girl faith and a tight little skirt, And when we go crashing down, We come back every time Cause we never go out of style We never go out of style.

So it goes He can't keep his wild eyes on the road Takes me home Lights are off, he's taking off his coat I say I heard oh, that you been out and about with some other girl Some other girl He says, what you've heard is true but I Can't stop thinking about you and I I said I've been there too a few times

Cause you got that James Dean day dream look in your eye And I got that red lip classic thing that you like And when we go crashing down, we come back every time. Cause we never go out of style We never go out of style

You got that long hair, slicked back, white t-shirt. And I got that good girl faith and a tight little skirt, And when we go crashing down, we come back every time. Cause we never go out of style We never go out of style.

Take me home Just take me home Just take me home Out of Style
