

Want To Want Me

Cimorelli

It's too hard to sleep,
boy you're keeping me up,
taking over me.
And I can't take it no more,
it's a hundred degrees
I got one foot out of the doors,
where are my keys?
'Cause I gotta leave
Yeah

In the back of the cab,
I tip the driver 'head of time,
get me there fast.
I got you on my mind,
I want it bad
Just the thought of you
takes me so high, so high.

Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do
just to get up next to you.

Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do
just to get up next to you.

You open the door,
boy you got that perfect smile,
I fell to the floor
You know what i wanna hear,
baby I'm yours
Just the thought of you
takes me so high, so high.

Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do
just to get up next to you.

Just the thought of you,
takes me so high, so high.

Just the thought of you,
takes me so high, so high.
Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do

just to get up next to you.

Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do
just to get up next to you.

Just to get up next to you.
Just to get up next to you.
Just to get up next to you.

Boy, you're the one I want to want me,
and if you want me,
boy you got me
and there's nothing I know
I wouldn't do, I wouldn't do
just to get up next to you.
