

Bad Attitude Shuffle

Cinderella

When I get up in the morning
Got a world of trouble on my mind
And nothin seems too easy
When your clock's tickin quarter to five
Make my way down to the door
Can't put my troubles on no shelf
Cause when nobody worries for you
You got to worry for yourself

Cruisin in my four wheels
It's got everything I need inside
Think I'll stop and fill it up for the ride
Man said that be twenty dollars
Mister, by the way how's your health
I said mister here's your money
Now you keep your questions for yourself

And it's my life that I'm livin
Wouldn't want to be no one else
So if you don't like how I dot it
Ya better keep it to yourself
Kick it in
When I get up in the morning
Got a world of trouble on my mind
And nothin seems too easy
When your clock's tickin quarter to nine
Make my way down to the door
Can't put my troubles on no shelf
Cause when nobody worries for you
You got to worry for yourself

And it's my life that I'm livin
Wouldn't want to be no one else
So if you don't like how I do it
Ya better keep it to yourself

And it's my life that I'm livin
Wouldn't want to be no one else
So if you don't like how I do it
Fuckin keep it to yourself
