

## Blood from a Stone

Cinderella

Well I've been walkin  
Down a one way dirty street  
Tryin to find the answers  
And I've been hopin  
For a chance to meet  
The rat that spread the cancer

And the lies they've been spinnin  
And the smiles they've been grinnin  
There has sure been some sinnin  
But nobody's winnin  
When the walls start to crumblin  
You feel like you're stumblin  
And nobody wants you when you're down

They took the boy from the city  
But they can't take the city from  
the boys lookin' pretty  
Now he's lookin like a pity  
Cut the flesh down to the bone  
But you can't get  
You can't get blood from a stone  
You can't get blood from a stone

Well I'm a rollin  
But my train's gone off the tracks  
and my wheels are spinnin  
And I'm a walkin  
Down a one way dirty street  
But my heart's not sinkin

From the love they've been buyin  
And the blues they've been cryin  
Now the time keeps a flyin  
But nobody's tryin  
Cause the love of the money  
Didn't turn out so sunny  
When the well's dry  
No one comes around

They took the boy from the city  
But they can't take the city from the  
Boys lookin pretty  
Now he's lookin like a pity  
Cut the flesh down to the bone  
But you can't get  
You can't get from a stone

You can try  
But I still got the fight in my eyes  
Suck it dry  
Cause I've had about enough of your lies

They took the boy from the city  
But they can't take the city from the  
Boys lookin pretty  
Now he's lookin like a pity

Cut the flesh down to the bone  
But you can't get blood from a stone

They took the boy from the city  
But they can't take the city from the  
Boys lookin pretty  
Now he's looking like a pity  
Cut the flesh down to the bone  
But you can't get  
You can't get blood from a stone
